

PROGRAMME AT A GLANCE

Monday, 23 March 09

Arrival of participants

- 14:00 - 17:00 Registration open at Conference Centre
- 19:30 Get-together at Hotel Alpbacherhof
- 20:00 **Opening Dinner at Hotel Alpbacherhof**

Tuesday, 24 March 09

Morning Session *Chair: Mike Taussig*

- 08:30 Mike Taussig : Welcome and Introduction
- 08:45 Michael Neuberger: Evolving antibodies
- 09:15 Serge Muyldermans: Pros and cons of being a camel
- 09:45 Frank Grosveld: Evolving human antibodies in the mouse
- 10:15 Tony Kosiakoff: Receptor-mediated cytoplasmic delivery of synthetic antibodies
- 10:45 Discussion

11:00 **Poster Session and Coffee Break**

Midday break

Skiing:

- 11:30 Depart to prepare for skiing or other
- 12:00 Ski bus departure to lift (from stop between CCA and Hotel Boeglerhof)
- 15:00 Ski bus departure to Alpbach village (from lift)

Alternative:

- 13:30 Impromptu Session with talks by meeting participants

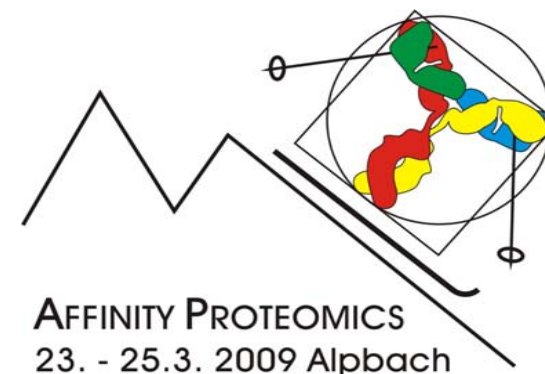

15:30 **Poster Session and Coffee Break**

Après Ski Session *Chair: Ulf Landegren*

- 16:00 Andreas Plückthun: Novel binding proteins by design and evolution
- 16:30 Larry Gold: High density quantitative proteomics at ELISA-like limits of detection
- 17:00 Terry Pearson: Anti-peptide antibodies for proteomics applications
- 17:30 Frank Breitling: High-density peptide arrays
- 18:00 Shohei Koide: Affinity Clamps: Targeted affinity reagents for peptide motifs
- 18:20 Discussion

19:00 Depart to Roßmoos (walk from Conference Centre)

19:30 **Dinner at Roßmoos**

Wednesday, 25 March 09

Morning Session *Chair: David Sherman*

- 08:45 Mathias Uhlen: Antibodypedia – a portal for sharing antibody and antigen validation data
- 09:15 John McCafferty: Ligand binders: from antigen to application
- 09:45 Brian Kay: The zebrafish protein and antibody core
- 10:15 Tara Hiltke: Raising the bar - NCI's antibody characterization pipeline
- 10:35 Sandra Orchard: MIAPAR - The minimum information about a protein affinity reagent

11:00 **Poster Session and Coffee Break**

Midday break

Skiing:

- 11:30 Depart to prepare for skiing or other
- 12:00 Ski bus departure to lift (from stop between CCA and Hotel Boeglerhof)
- 15:00 Ski bus departure to Alpbach village (from lift)

Alternative:

- 13:30 Impromptu Session with talks by meeting participants

15:30 **Poster Session and Coffee Break**

Après Ski Session *Chair: Marius Ueffing*

- 16:00 Itai Benhar: Inclonals - IgG and IgG-fusion proteins produced in E. coli by refolding
- 16:30 Marcus Hämmerle: Multi-epitope ligand cartography
- 17:00 Ola Söderberg: Detection of endogenous protein interactions by in situ PLA
- 17:20 Carl Borrebaeck: Affinity proteomics in translational research
- 17:50 Final Discussion

19:30 **Buffet Dinner and Party at Conference Centre**
