

ProteomeBinders Year 3 Reporting

Alpbach Conference Centre

March 22nd - 23rd 2009

Sunday March 22nd:

- Arrival in Alpbach
- Get-together (19:30) and Dinner (20:00) at Hotel Böglerhof, Alpbach.

Monday March 23rd:

- 8:30 – 12:30 ProteomeBinders Reporting Meeting (PIs and group members)
- 18:30 – 19:30 ProteomeBinders Steering Committee Meeting (PIs only)

ProteomeBinders Reporting Meeting, March 23rd 2009

08:20 Arrive at conference centre

NA1 Management

08:30 Mike Taussig:
Overview of Year 3 Deliverables

NA2 Binder Production, chair: Andreas Plückthun

08:45 Oliver Scholz, Zürich
Designed ankyrin repeat proteins to probe quadruplex conformations of telomeres

09:00 Michael Hust, Braunschweig
Generation of recombinant antibodies for proteome projects

09:15 Zoltán Konthur, Berlin
From gene to antibody - a phage display selection pipeline for antibody generation

09:30 Dino Mijatovic, Rijeka
New developments in the monoclonal antibody production at the Center for Proteomics
Rijeka

09:45 Antoinetta Impaglazzio, Leiden
Structural basis for PABPN1 aggregation-preventing antibody fragment in Oculopharyngeal
Muscular Dystrophy (OPMD)

10:00 Reza Gassabeh, Brussels
Generation of customized Nanobodies

10:15 Coffee

NA3 Tools, chair: Ulf Landegren

10:45 Oda Stoevesandt, Cambridge
Repeatable printing of protein microarrays from DNA microarrays

11:00 Daniela Bertinetti, Kassel
Development of binders addressing specific components of the PKA system

NA4 Applications, chair: Carl Borrebaeck

11:15 Christoph Schroeder, Heidelberg
Antibody microarrays for the profiling of cancer proteomes

11:30 Anders Carlsson, Lund
Prediction of tumor relapse in breast cancer using antibody microarrays

11:45 Thomas Knorpp, Tübingen
Signal transduction pathway analysis with Reverse Phase Protein Microarrays using quality controlled antibodies

NA5 Bioinformatics, chair: Henning Hermjakob

12:00 Niall Haslam, Heidelberg
EpiC - The ProteomeBinders resource to aid epitope selection

12:15 Erik Björling, Stockholm
Antibodypedia

NA6 Future plans

12:30 Mike Taussig:
AffinityProteome project and ProtAffin proposal

13:00 Lunch

ProteomeBinders Steering Committee Meeting, March 23rd 2009

Conference Centre, 18:30 – 19:30
